THE 21ST LOUIE'S LAST REGATTA
CHILDREN'S HOSPITAL OF WISCONSIN, MILWAUKEE, WISCONSIN
SEPTEMBER 21, 2019

South Shore Yacht Club's own *Hobgoblin* was the overall winner in the 2019 Louie's Last Regatta, the 21st running of this annual "last" event. Hobgoblin also nabbed first place in Division One. The South Shore Yacht Club crew was led by Roy Reger and included Dan McGowen, Ashley Korrer, Scott Hordesky, Dick Olson, Shelly Galligan, Randy Bredin, Tom Kingston and guest Jerry. In winds of 20-30 knots+, the Hobgoblin-ers were tops among the more than 79 competitors who signed up to race. It was a prestigious win in this annual fundraising race for an awesome cause, Children's Hospital of Wisconsin. The crew noted special thanks to South Shore Yacht Club's Sail Race Director Cheryl Kelly and her committee for a great event. South Shore Yacht Club hosted the official post-race party this year for the first time, and by all accounts, it was a great success.

2019 S2 7.9 CLASS CHAMPIONSHIP REGATTA
RACINE YACHT CLUB, RACINE, WISCONSIN
SEPTEMBER 20-22, 2019

The 2019 edition of the Class Championship Regatta had varying weather conditions, from sunny and no wind to crazy wind to fog and rain. On Thursday after check-in, about half the fleet went out for the practice race on a beautiful evening with good wind. Friday was a beautiful sunny day, however there was no wind and the Race Committee held us at the dock. Saturday looked promising with the threat of rain and big wind later in the day. The first race on Saturday started with 21 boats on the line and winds around 10 knots. The wind quickly began to build on the second leg and was in the high teens by the end of the race. The second race started with winds in the high teens and most boats had their smaller jib up. As the race went on, the gusts kept getting higher and higher with gusts of 30 knots seen on some boats. The downwind legs were interesting to say the least. Yards before the finish, the top three boats were hit with a large gust and all three broached. With numerous boats broaching and winds continuing to increase with a storm front impending, Race Committee smartly sent everyone back in. Saturday night was the annual banquet with fantastic food provided by Racine Yacht Club. Upon arrival to Racine Yacht Club on Sunday morning, competitors were met with rain, wind and fog. The S2 BOD along with RC decided to call the regatta since you were unable to see the other side of the harbor because of the fog. A special owners meeting was called to change the rules so that one race constitutes a regatta. After only two races Smile & Wave and Fun Uncle were tied with 4 points. It was decided to award co-champions as only two races were sailed. Thank you to Racine Yacht Club for putting on a great regatta and we look forward to seeing you in Holland, MI next year.

2019 QUEEN'S CUP RACE
SOUTH SHORE YACHT CLUB, MILWAUKEE, WISCONSIN
JUNE 28, 2019

To St. Joseph Michigan. Wind Speed: 0-8. Wind Direction: SE. Friday morning there was a haz-mat semi truck accident on I-94 North that kept a number of skippers and crews from getting to Milwaukee. Some boats missed the race because of this. The very light winds experienced caused many boats to not finish in the time limit.
