

Lake Michigan Sail Racing Federation

RENEW TODAY FOR 2010!

Your Membership is a vital support to what we do!

The Lake Michigan Sail Racing Federation is a non-profit 501(c)(3) charitable organization that represents the interests of all Lake Michigan area racing sailors and yacht clubs to US SAILING. All donations are tax deductible to the full extent allowed by law.

LMSRF's customized programs have developed over the past twenty years to train Race Management, coordinate major racing Championships, provide Rules and Judges seminars, provide a boat donation program, provide financial support grants to deserving sailors of all ages, as they represent Lake Michigan at national and international level championship events.

LMSRF's primary operational support for these programs comes from membership dues and contributions from individuals like you. You can do your part to help keep these important programs afloat by becoming a member. Add a contribution and it will further our efforts even more!

What does LMSRF do for SAILING?

Provided **Grants** to cover some of the costs for the introduction of the **ORR Handicap Rating System** in Lake Michigan.

Sponsors an **Educational Booth** and seminars at the **Strictly Sail** boat show in Chicago to provide information and resources for recreational and racing sailors.

Represents your interests to US SAILING.

Covers entry fees for **US Sailing Instructor** training.

Sponsors **Best on Lake Michigan Championship Series** for racers everywhere on Lake Michigan.

1st recipient of the LMSRF Sailing Hall of Fame in 2010.

Provides personnel to promote and run the **Men's Championships** (Mallory, O'Day, Prince of Wales).

Provides **Grants-in-Aid** for the O'Day, Mallory, Adams, International Disabled Championships, Lloyd Pheonix, Richardson Trophy, and other national and international events.

Provides personnel to promote and run the **Women's Championship** (Adams).

Assists in promoting and running the **Youth** (Sears, Bemis, Smythe) and **Jr. Olympic Championships**.

Developed plans to increase the number of boats crossing starting lines.
